Welcome to the Louisiana Chapter of the Society of Government Meeting Professionals!!!

We are part of a national organization dedicated to improving the knowledge and expertise of individuals in planning and managing government meetings through education, training and industry relationships.

SGMP-LA is *the* meeting management association of choice for government employees. We are constantly striving to increase and improve the knowledge of planners and suppliers by providing monthly education programs, information and guidance in every phase of meeting planning. It is our goal to expand the quality of government meeting through networking and professional development.

SGMP-LA will celebrate its 5<sup>th</sup> anniversary in March of 2012. We are also the host chapter for the 30<sup>th</sup> National Education Conference for the Society of Government Meeting Professionals. The conference will be held in New Orleans in May 16 – 19, 2012.

Learn more about who we are and what we do by visiting our national website at [www.sgmp.org](http://www.sgmp.org).

Join us and become a part of the most respected organization for government meeting professionals!

Sincerely yours,
